Docket No. 98N-1265 1 '99 APR 22 AIO:18

Food and Drug Administration

5600 Fishers Lane

Rockville, MD. 20857

I OPPOSE THE DRAFT M.O.U. being proposed by the FDA. In particular, I OBJECT to the definition of "inordinate amount" which restricts the availability and the right to obtain medically necessary compounded medications by limiting the number of prescriptions that can be shipped across state lines from specialized compounding pharmacies.

COMMENTS: Please do not adopt the draft m.o.u. I have  
been using compounded medication for 13 years  
and it has made a remarkable difference in my  
quality of life. The services that Madison pharmacy  
are not available to me where I live. Please do not  
restrict my choices that will affect my quality  
of life. Thank you Karen Henrich
